According to on-line jail records, Pillon is held in the Seattle facility not the Kent facility. This may be because he is a former SPD sergeant and he may be in protective custody.

Yes, Monday is fine. I also sent Scott instructions about how to serve Pillon while he's in jail.

Kris:  
How does the EPA recoup their costs for the emergency clean-up on Pillon's property? Is a lien attached to Pillon's property? Please let me know when you have time to discuss.  
Thanks,

May I have a copy of the warrant and the affidavit in support of the administrative warrant that was obtained by Jeff Fallow? Did you work on obtaining the warrant? If not, should I contact Jeff to get a copy?  
Thanks,
